1. Accessing DepEd Commons

This chapter will focus on the steps on how to access DepEd Commons. Students can access DepEd Commons using their O365 Microsoft account.

1.1 Account Activation

Student accounts will be sent an activation email on their O365 accounts. To activate your account, follow these steps:

Step 1. Log in to your email using O365 email.

Step 2. Find the email with the subject "Your DepEd Commons account is created and needs to be activated!".

Step 3. Click on the email and then click on the [link](#) to setup up a new password.

Step 4. Nominate a new password on the Change Your Password page.

Step 5. Edit your account information if necessary and click the Update button. You will be redirected to DepEd Commons Home page.

Your DepEd Commons account is created and needs to be activated!

Hello Gial

Welcome to your DepEd Commons account!

To activate, [click on this link](#) and set up your password. Afterward, you can proceed to update your profile.

Aside from DepEd Commons, you can also link and sync other supported DepEd apps in the future using this account. Just one password to remember! Quicker and easier!

Thank you and keep safe always!

ALAIN PASCUA
Undersecretary, DepEd

2. Student Portal

The student portal page is where students will have access to all the available resources in DepEd Commons. The user interface of the home page is very straight-forward and easy-to-use. In this chapter, we will discuss the three (3) main parts of the home page.

Email address

Password

1. Header - In this portion, you will see a list of links that will help you access different parts of the web app.
2. Account actions - you can view your account by clicking the top right portion of the header with your email address displayed. To edit your account, click on Edit Account and update your information or credentials. To log out, simply click on Log Out. Offline documents are also accessible on the drop down which will be explained further on a different section of this guide.
3. Main Content - All of the information will be displayed in this portion.

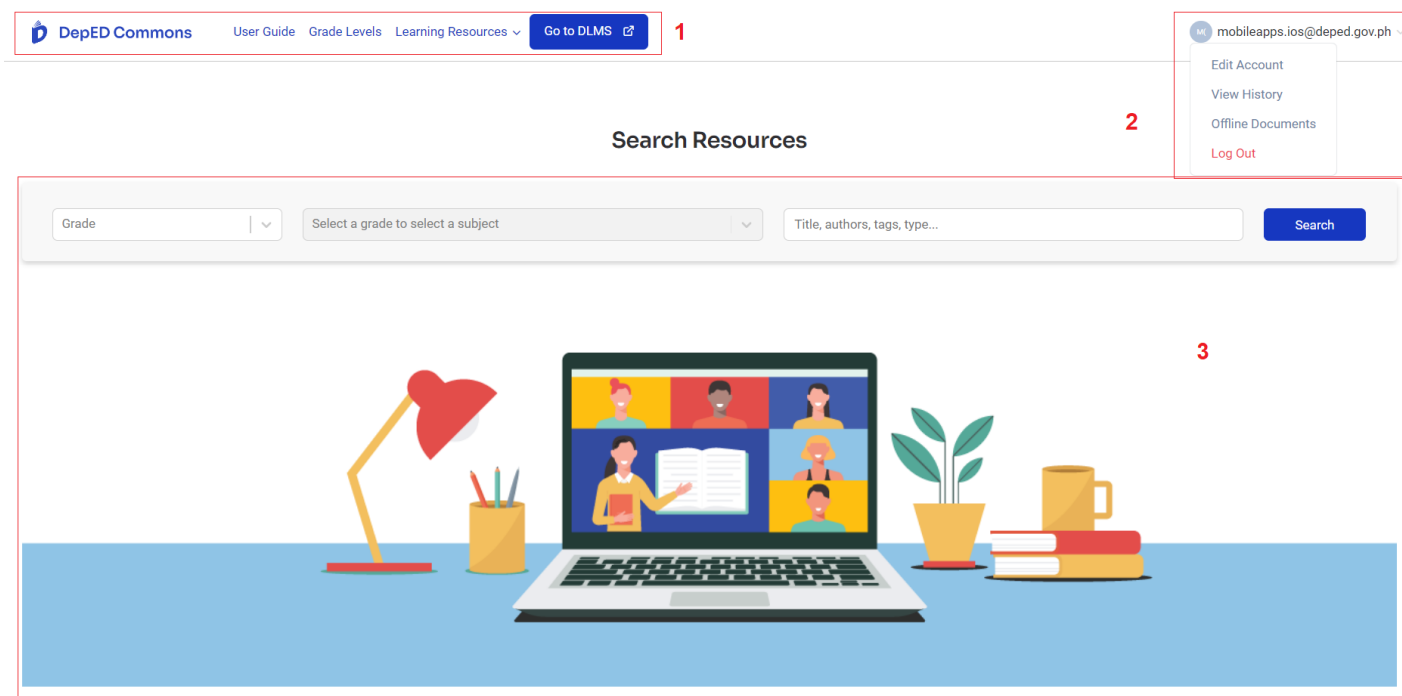

Figure 4. Student Portal

3. Resources

3.1 Search Resources

In the home page, the search functionality is displayed for easier access of available resources that are published in DepEd Commons. To search for a resource, follow these steps:

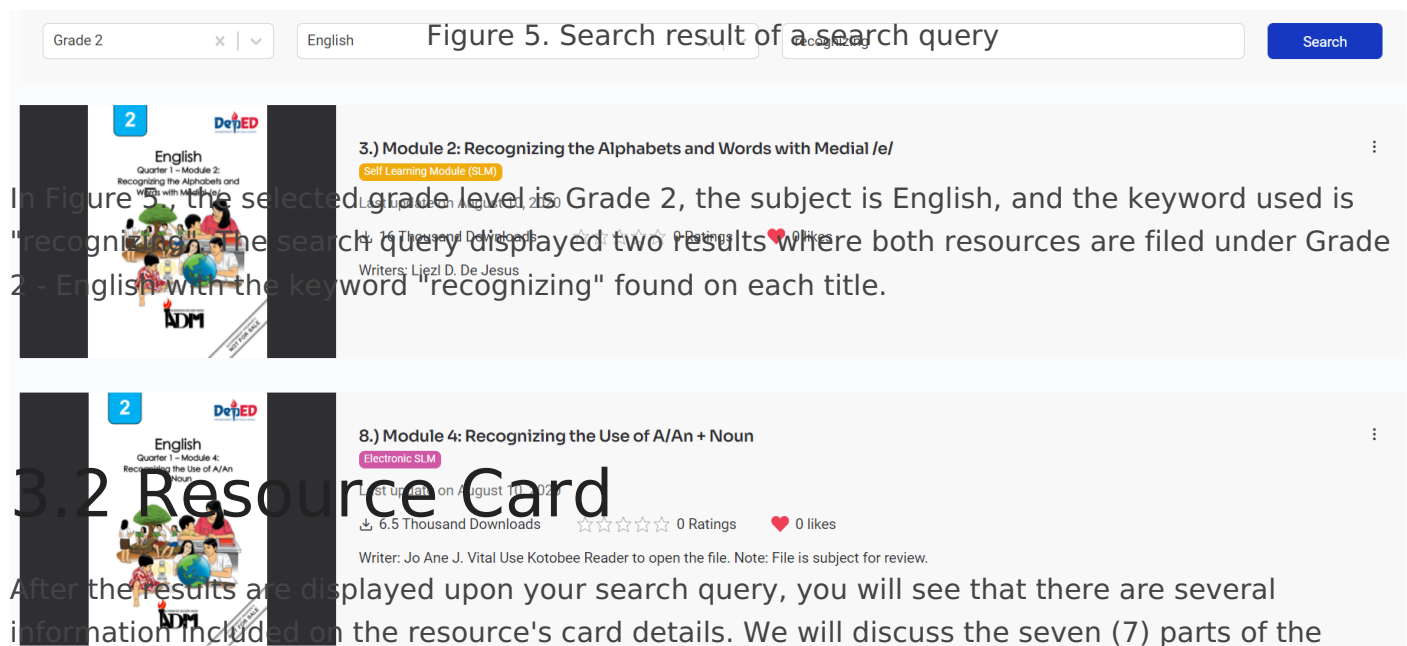

Step 1. Select a grade from the grade level drop down. You may click on the search button after this step. This will display all the published resources from the selected grade level.

Step 2. Select a subject from the subject drop down. You may click on the search button after this step. This will display all the published resources from the selected subject of the selected grade level.

Step 3. On the search bar field, type in the title of the resource, the name of the author, the category type of the resource, or a tag/keyword. Click the Search button. This will display all the published resources from the selected subject of the selected grade level with the word/s that you have entered on the search bar.

The category type of resources are Assessment, Game/Puzzle, Interactive Offline, Presentations,

Video, Mobile Applications, Activity Sheets and Notes, Self Learning Module (SLM), and Electronic SLM.

3.2 Resource Card

After the results are displayed upon your search query, you will see that there are several information included on the resource's card details. We will discuss the seven (7) parts of the resource card.

1. Thumbnail - This is the image that is displayed on the left-most part of the resource card.
2. Title - This is the resource's title.
3. Category type - This specifies what type of learning material the resource is.
4. Number of downloads - The number of downloads is the total number of times a resource has been downloaded and viewed. Clicking on the link attached to a resource is counted as a view/download.
5. Ratings - Ratings are the average ratings given by teachers and students.
6. Likes - Likes are the total number of likes that students and teachers have given to the resource.
7. Writers - Authors and writers are displayed on the resource card.

3.3 Resource Page

In this section, we will discuss the resource page where you will see the full information about the resource. The resource page also contains the action buttons to rate and like the resource. To go to this page, simply click anywhere on the resource card and it will redirect you to the resource page.

The parts of the resource page are the following:

1. Learning Period - This indicates the learning period that the resource is used for.
2. Description - This portion contains any information relating to the resource.
3. Download or Go To link -To download the resource, click on the Download File button. To go to the link of the resource, click on Go to link.

To like a resource, simply click on the heart icon.

Parts 4 and 5 will be discussed on the next sections.
